

Bonus Brazil Activities

What flavor do you favor?

You might think you like sweet stuff over salty. But where does sour fit in? Or *umami*? Using the items in your Brazil box, it's time to find out which flavors are your true faves!

There are five official basic flavors: sweet, salty, sour, bitter, and *umami* (savory). Taste each item in your Brazil box (super, super carefully), and write it down under the flavor(s) you think best describe it. (If you think something is both salty and sweet, for example, write it down under both columns!).

Once you've assigned each Yum to its flavor(s), choose your top five favorite Yums from the box and circle their names wherever they appear. Whichever columns end up with the most circles are your official favorite flavors. Trust us—it's science!
